

We thank you for the opportunity of quoting on the heating and/or cooling needs for your home.

The following are a list of rebates available to you based on the equipment in your quotation:

O.P.A. (COOL SAVINGS REBATE PROGRAM) *extended Dec 31, 2010* \$_____

- \$25** REPLACEMENT PROGRAMMABLE THERMOSTAT
- \$125** REPLACEMENT HIGH EFFICIENT FURNACE WITH ECM
- \$400** REPLACEMENT AIR CONDITIONER - TIER 2 LEVEL (*applies when combined with a matched Energy Star rated High Efficient Furnace with ECM*)
- \$250** REPLACEMENT AIR CONDITIONER – ENERGY STAR RATED

Further rebates may be available from the **ecoEnergy Program** (www.ecoaction.gc.ca). You must schedule an energy audit for your home. (to be completed prior to replacement of any equipment) Approximate Cost: \$300 + GST. The energy advisor will conduct a detailed on-site assessment of your home from attic to basement. They then provide you with a personalized report with recommended retrofits to improve energy efficiency for your home. Upon completion of your retrofits you will call for a follow up energy audit. (you have 18 months from the first audit) Approximate Cost: \$150 + GST. The follow up audit will verify your retrofit improvements and they will submit, on your behalf, the rebate application.

ecoENERGY (Federal Government with matching rebates from Provincial Government) \$_____

- \$790 x2** REPLACEMENT (1ST TIME) MID to HIGH EFFICIENT FURNACE WITH ECM 94% AFUE or better
- \$650 x2** REPLACEMENT HIGH to HIGH EFFICIENT FURNACE WITH ECM 94% AFUE or better
- \$375 x2** REPLACEMENT HIGH to HIGH EFFICIENT FURNACE 92% AFUE or better
- \$250 x2** REPLACEMENT AIR CONDITIONER – ENERGY STAR RATED & 14.5 SEER or better
- \$150** FOR THE ENERGY AUDIT

The O.P.A. (Ontario Power Authority) rebates have been renewed for period Jan 1 – Dec 31, 2010, and the ecoEnergy Program (Natural Resources Canada) reserves the right to update the information contained in the program, including grant amounts, as required.

You may be eligible for rebates up to \$_____.
